If property were a game of chance, you’d be hitting the jackpot with this latest lakeside development in Mt Warrigal. And when we say lakeside, we are talking about right there across the road. Not a single structure in the way.

Local company **Stiletto Homes** have been designing and constructing a wide variety of homes for more than 30 years combined. Whatever they build, each project is always meticulous in its high quality materials and workmanship.

On offer in this corner location are **six lake-facing 3-bedroom terraces and two separate 2-bedroom freestanding homes** - each featuring single or double internal garages.

Once inside, come home to a tiled ground floor that includes contemporary open plan kitchen (quartz stone benches/splashback, gas cooktop and stainless steel appliances), dining and living. Reverse cycle air conditioning, gas heating, laundry and extra toilet also occupy this level.

Upstairs, each property features carpeted bedrooms with ample wardrobe space, while the main bathroom gleams with floor to ceiling tiles and every detail built to exceptional standards. Absolutely nothing to do.

This is a stunning investment (**depreciation schedules available**) or first home (**$10,000 grant may be available**), sitting just metres from cycle paths, boating, fishing and paddling.

Just minutes to world-class surf beaches, nature reserves, premium shopping, restaurants, cafes and cinemas - plus motorway, train links and much more.

This exciting development is a truly well placed, well-priced opportunity - but act fast. These will sell! Contact the award-winning Robert Dimovski Team today on 4258 0088 to find out more.

Welcome home. To the unspoilt beauty of Lake Illawarra and nearby beaches and reserves. To the convenience of local highway and rail links. To the abundance of shopping, dining, entertainment and services all within five minutes' drive. And to the family friendly streets of Mt Warrigal - schools that are a safe walk away, and a hospital literally at the other end of the street. It's a great place to live.

Enjoy a quiet drink with friends looking out at another stunning sunset across the lake. Then head out to dinner just minutes away in one of Shellharbour City's newest venues, or take in a movie.

By day, grab the surfboard or bucket and spade and head to one of the world-class beaches just five minutes' drive east. Or go for a jog or cycle along the lakefront - starting right from your own front door.

This kind of lifestyle is very possible - and this is your chance to make it a reality.
