If you're going to move in 2018, why not make it a brand new home for you and your family – with a slew of modern conveniences to make life much easier. That's the story here at 191 Compton Street, Dapto – with this property just one of two Torrens Title residences on site and built for low-fuss living. It all starts with the double garage – plenty of room for vehicles and all your other toys. You can choose to enter via the front door or the internal access – both whisking you past cleverly hidden powder room and laundry and into the open plan kitchen/dining/lounge area. With the extra height of the raked ceiling, this space is a joy to relax or entertain in.

*Land Size: 320sqm*
